

### **How do I purchase tabs:**

To purchase tabs from the Tab Store you must,

(a) **Download the PC Client** to your computer and

(b) **Create an account** with your username and password. For step by step instructions on how to do this click on the following link: <http://i-tab.com/wp/support/get-started>

- To purchase tabs go to the tab store <http://i-tab.com/wp/tab-store> and click on our green circled shop logo.
- This will bring you to the main purchasing page <http://tabstore.i-tab.com/store.aspx>

### **Step One:**

Fill in your **stagename** and **password** at the top of the page and **login**.

You will now see all your details displayed. Please ensure these are correct.

### **Step Two:**

Go to **Top Up Credit**. And enter your details and the amount you would like to top up by.

Now you are ready to explore the tab store.

### **Step Three:**

Go to the main purchasing page and click on **an artist you like**. The tabs by this artist stored on our database will appear on the window to the right. If the tab you want is not available please email us at [tabs@i-tab.com](mailto:tabs@i-tab.com) and we will do our very best to get this to you as quick as possible. We will also notify you by email when the tab is available.

### **Step Four:**

Select the tabs you wish to buy and click **add to cart**, this will bring you to the page titled:

**Your shopping cart currently contains:**

- To select more tabs click the option – **Update Cart**
- Alternatively click – **Proceed to Checkout**

You have now bought your tabs!

### **Step Five:**

To sync these to your i-tab **open the itab manager** on your desktop.

- Connect your i-tab to your computer using the USB cable.
- Fill in your username and password and click **Sync Now**.

**Step Six:**

When the tabs are synced to your i-tab you will see the notification:

**Tabs completed 2/2** if you have purchased 2 tabs from our library.
